2013-14 GMS PTA DIRECT DONATION CAMPAIGN

Support your middle schooler by participating in **GMS PTA's biggest fundraiser of the year**. Your contribution **of any amount** will help support GMS student and staff activities

Why is a fundraiser needed?

Neither GMS or MCPS provides support for the activities listed to the right. These activities and events enhance the educational experience for our students and show our appreciation to the wonderful GMS staff. If we want our school community to benefit from these activities, it is up to us to make these things happen.

Why direct donation? It's easy, efficient, and effective!

- 100% of your contribution goes to GMS.
- Your donation is tax deductible.
- No selling or buying involved.
- Save time and effort – simply write a check and be done.

Who can donate? Anyone!

Spread the word to grandparents, aunts, uncles, siblings, and your business. By making a contribution, they are supporting a great cause and will get a tax deduction.

Corporate matching – Consult your HR department to see if they offer corporate matching. GMS PTA is a nonprofit “501 (c) (3)” charitable organization. Simply submit your company's form with your donation and we will handle the rest.

Help us meet our goal of 100% participation

If every GMS family makes a contribution, we will raise enough money to cover the activities listed above and more! Remember, **every dollar counts**. Contributions in any amount are encouraged – **every \$5, \$10, and more will help make 2013-14 a great year for our school!**
